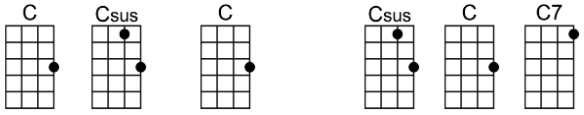
Intro: |  **|**  **|**  **|𝄎| (X2)**



Sitting here to-night, by the fire - light.

It re-minds me, I already have more than I should.

I don't need fame, no one to know my name.

At the end of the day, Lord I pray, I have a life that's good.

Two arms around me, heaven to ground me, and family that always calls me home.

Four wheels to get there, enough love to share, and a sweet, sweet, sweet song.

At the end of the day, Lord I pray, I have a life that's good.

p.2. A Life That's Good

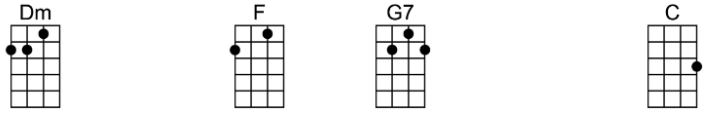
Some-times I'm hard on me, when dreams don't come ea-sy.

I wanna look back and say, I did all that I could.

At the end of the day, Lord I pray, I have a life that's good.

Two arms around me, heaven to ground me, and family that always calls me home.

Four wheels to get there, enough love to share, and a sweet, sweet, sweet song.



At the end of the day, Lord I pray, I have a life that's good.

At the end of the day, Lord I pray, I have a life that's good.
