
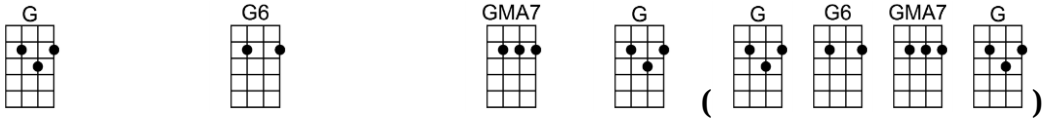
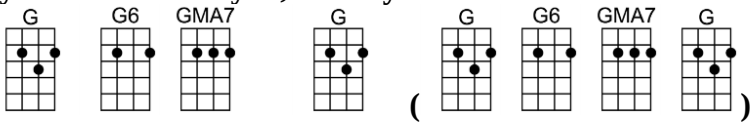
SIMPLY THE BEST-Mike Chapman/Holly Knight

4/4 1…2…1234

Intro: First line

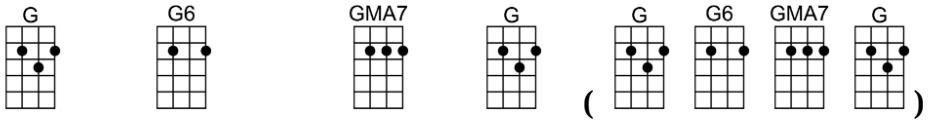


I call you when I need you, and my heart's on fire.

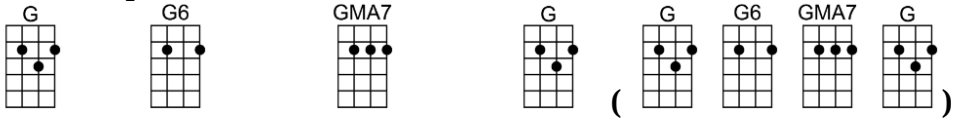


You come to me, wild and wired

You come to me, and give me everything I need



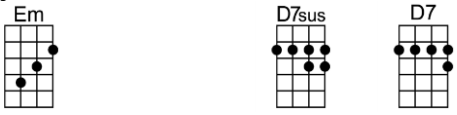
Give me a lifetime of promises and a world of dreams



Speak the language of love like you know what it means

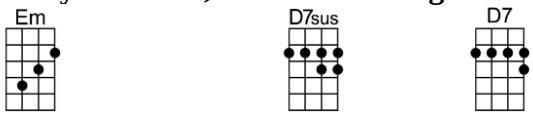
And it can't be wrong, take my heart and make it strong, babe

You're simply the best, better than all the rest



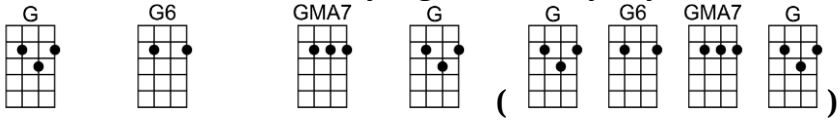
Better than anyone, anyone I've ever met

And I'm stuck on your heart, I hang on every word you say

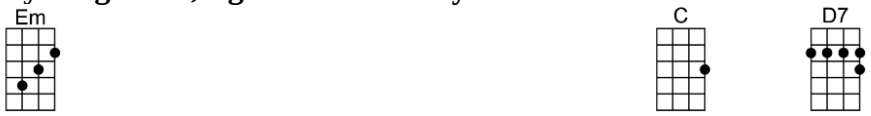


But tear us a-part, baby, I would rather be dead

In your heart I see the start of every night and every day



In your eyes I get lost, I get washed a-way



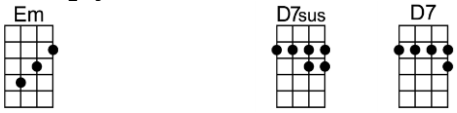
Just as long as I'm here in your arms, I could be in no better place

REFRAIN (You're simply the best……..)

Oh, each time you leave me I start losing control. Are you walkin' away with my heart and my soul?

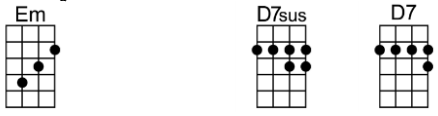
I can feel you, babe, even when I'm alone. Baby, don't let go

'Cause you're simply the best, better than all the rest

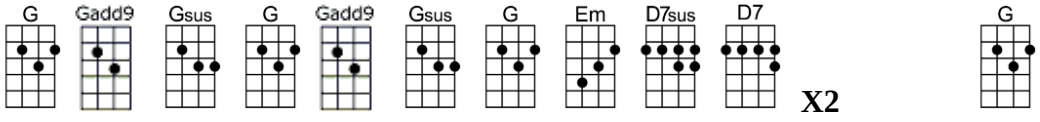


Better than anyone, anyone I've ever met

And I'm stuck on your heart, babe, I hang on every word you say



But tear us a-part, oh, I would rather be dead



Ooh…….oh, you're the best
