
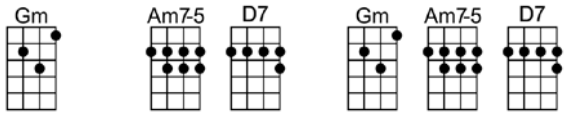
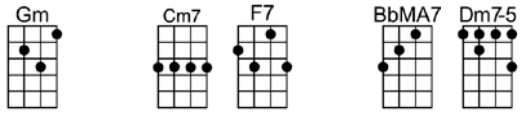
A DAY IN THE LIFE OF A FOOL

4/4 1...2...1234

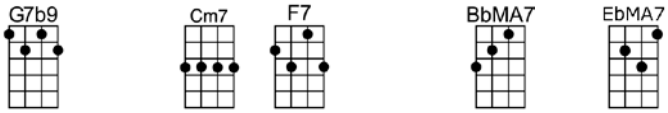
Intro: 



A day in the life of a fool.

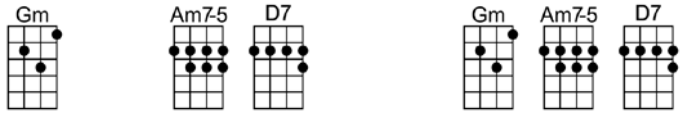


A sad and a long lonely day.

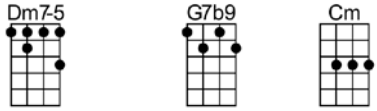


I walk the avenue, hoping I'll run into

The welcome sight of you coming my way.



I stop just a-cross from your door



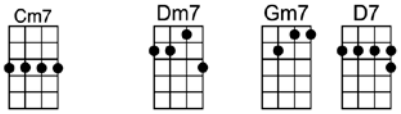
But you're never home any-more.

So back to my room and there in the gloom,

I cry tears of good-bye.

p.2. A Day In the Life of a Fool

'Til you come back to me, that's the way it will be,



Every day in the life of a fool. **Instrumental-Repeat 1st verse**
