
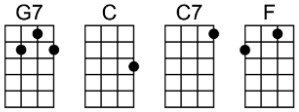
I CAN'T HELP IT (IF I'M STILL IN LOVE WITH YOU)

4/4 1…2…1234 **-Hank Williams**



Intro: G7 C
8 5

G7 C C7 F C
Today I passed you on the street, and my heart fell at your feet

G7 C
I can't help it if I'm still in love with you.

G7 C C7 F C
Somebody else stood by your side, and he looked so satis-fied

G7 C C7
I can't help it if I'm still in love with you.

F C
A picture from the past came slowly stealing,

G7 C C7
As I brushed your arm and walked so close to you

F C
Then suddenly I got that old time feeling

G7 C
I can't help it if I'm still in love with you.

Interlude: First 4 lines

F C
It's hard to know another's lips would kiss you

G7 C C7
And hold you just the way I used to do

F C
Oh, heaven only knows how much I miss you.

G7 C
I can't help it if I'm still in love with you.

G7 C G7 C
I can't help it if I'm still in love with you.
