
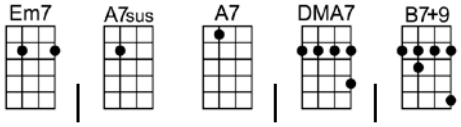
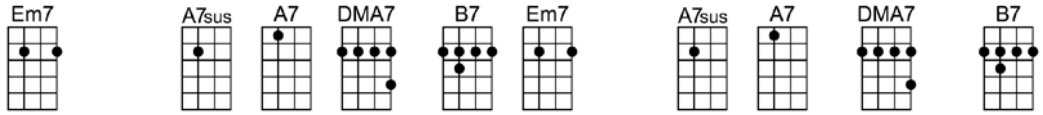
DON'T LET ME BE LONELY TONIGHT-James Taylor

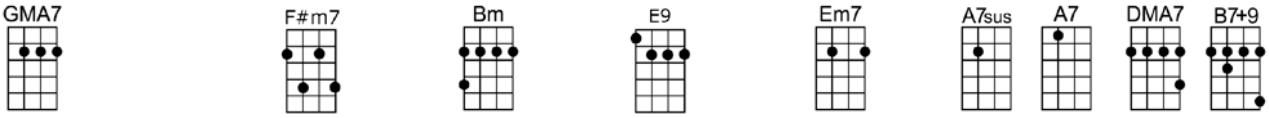
4/4 1...2...1234



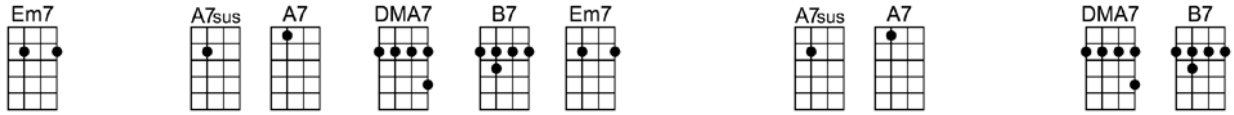
Intro: | | | | |



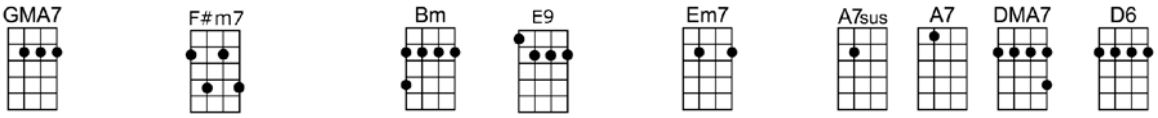
Do me wrong, do me right, tell me lies but hold me tight



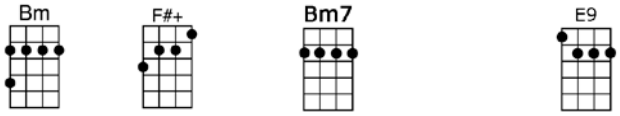
Save your good-byes for the morning light, but don't let me be lonely to-night



Say good-bye and say hel-lo, Sure 'nuf good to see you but it's time to go

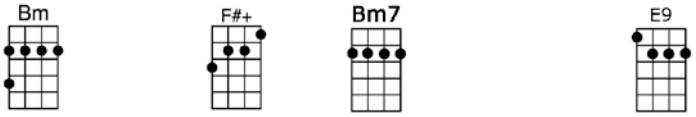


Don't say yes but please don't say no, I don't want to be lonely to-night

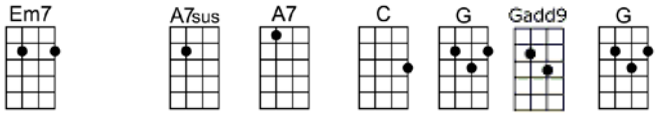


Go a-way then damn ya, go on and do as you please

You ain't gonna see me getting down on my knees



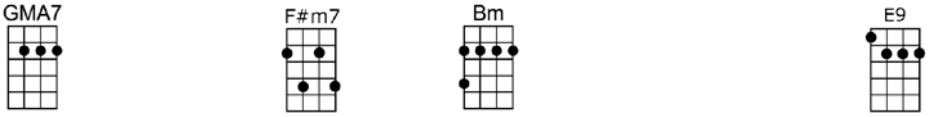
I'm unde-cided and your heart's been di-vided



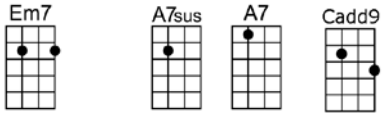
You've been turning my world upside down

p.2. Don't Let Me Be Lonely Tonight

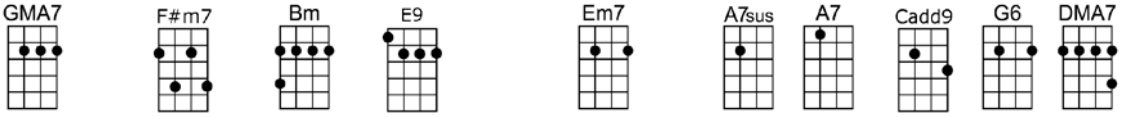
Do me wrong, do me right, right now baby, go on and tell me lies but hold me tight



Save your good-byes for the morning light (morning light),



But don't let me be lonely to-night



I don't want to be lonely to-night, oh no... I don't want to be lonely to-night.
