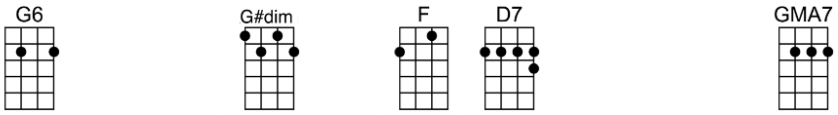
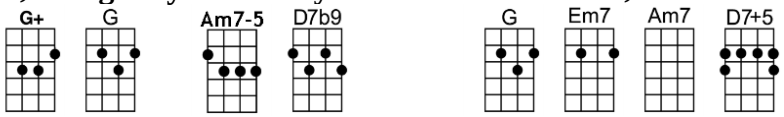
Intro: |  **|**

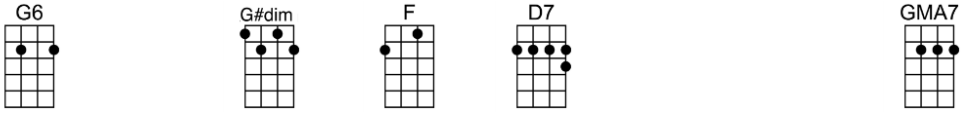


They say, Ruby, you're like a dream, not always what you seem

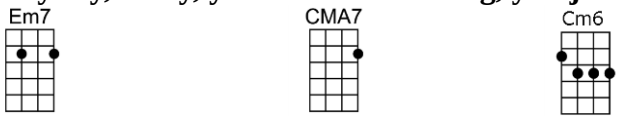
And, though my heart may break when I a-wake,



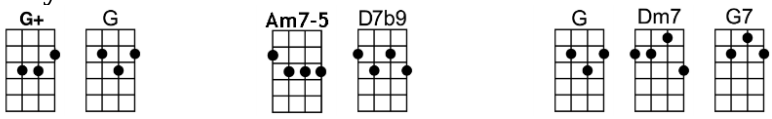
Let it be so, I only know, Ruby, it's you



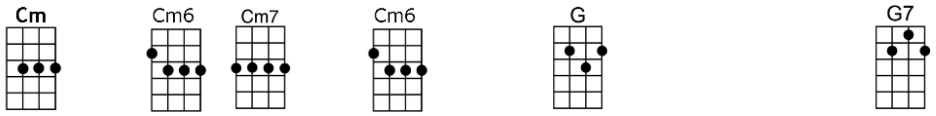
They say, Ruby, you're like a song, you just don't know right from wrong



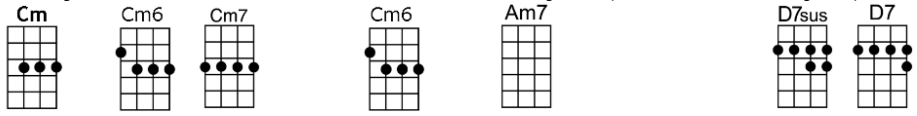
And, in your eyes I see heartaches for me



Right from the start, who stole my heart? Ruby, it's you

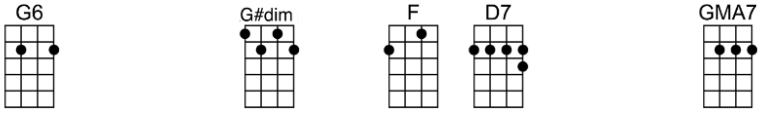


I hear your voice, and I must come to you (must come to you)

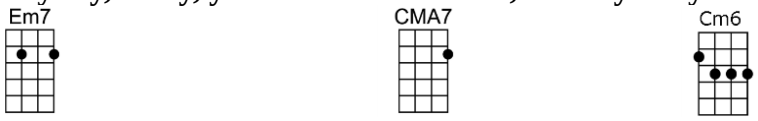


I have no choice, so what else can I do? (what else can I do?)

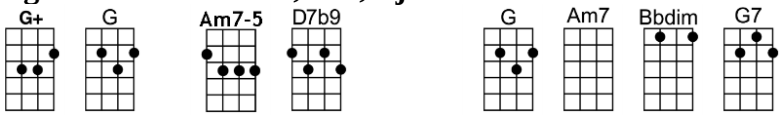
p.2. Ruby



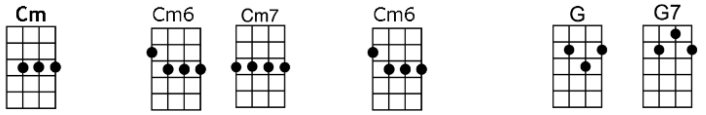
They say, Ruby, you're like a flame, into my life you came



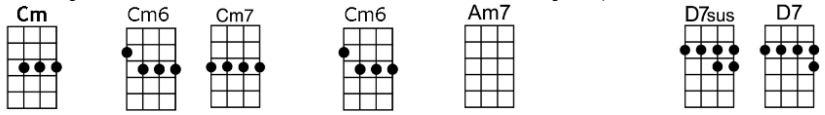
And, though I should be-ware, still, I just don't care.



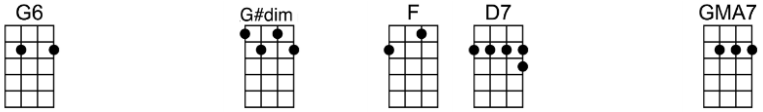
You thrill me so, I only know, Ruby, it's you



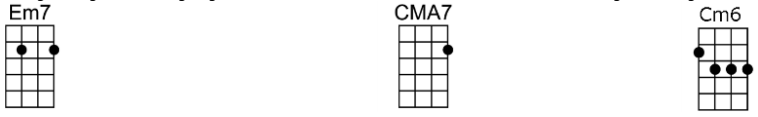
(I hear your voice, and I must come to you)



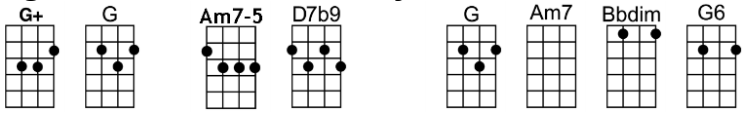
(I have no choice, what else can I do? What can I do?)



They say, Ruby, you're like a flame, into my life you came



And, though I should be-ware, still, I just don't care.



You thrill me so, I only know, Ruby….it's you
