
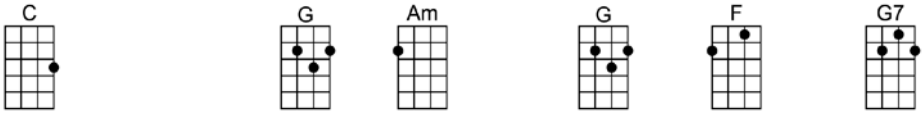
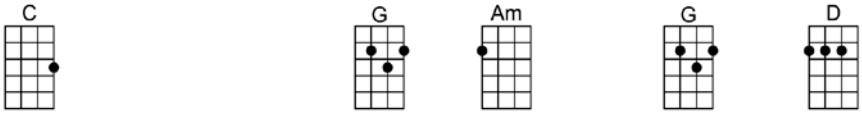
ALWAYS ON MY MIND-Christopher/James/Carson

4/4 1...2...1234

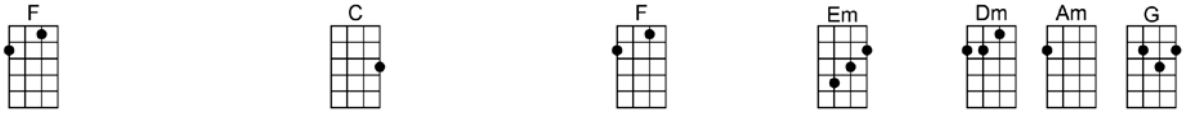
Intro: |  **| (X2)**



Maybe I didn't love you quite as often as I could have

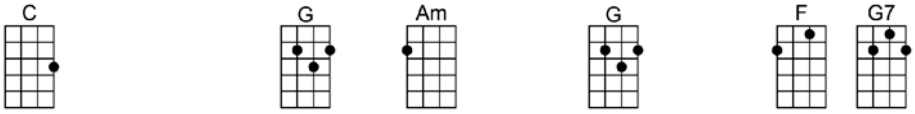


And maybe I didn't treat you quite as good as I should have

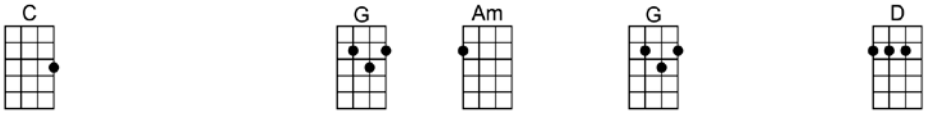


If I made you feel second best, girl, I'm sorry, I was blind

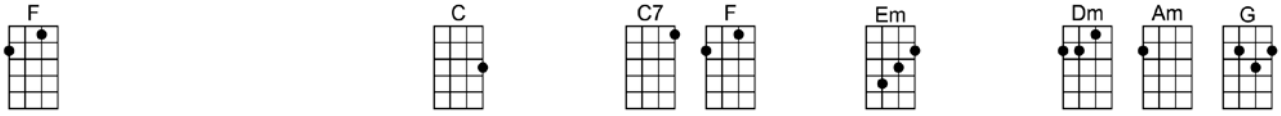
But you were always on my mind, you were always on my mind



Maybe I didn't hold you all those lonely, lonely times



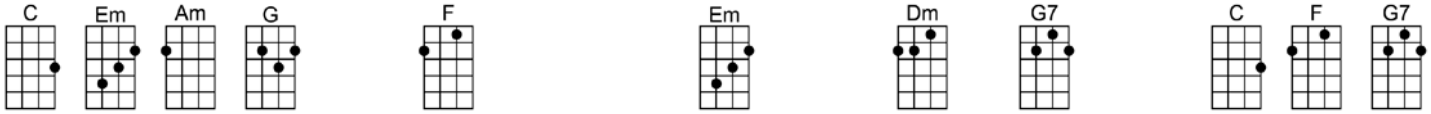
And I guess I never told you, I'm so happy that you're mine



Little things I should have said and done, I just never took the time

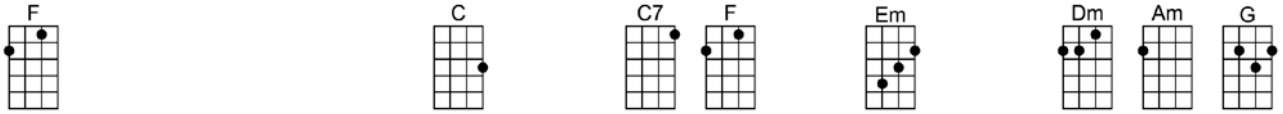
You were always on my mind, you were always on my mind

Tell me, tell me that your sweet love hasn't died,

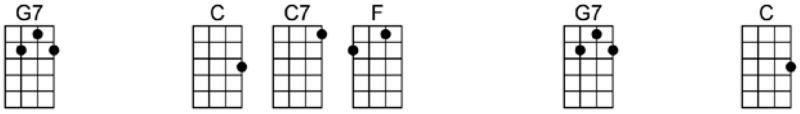


Give me, give me one more chance to keep you satis-fied, I'll keep you satis-fied

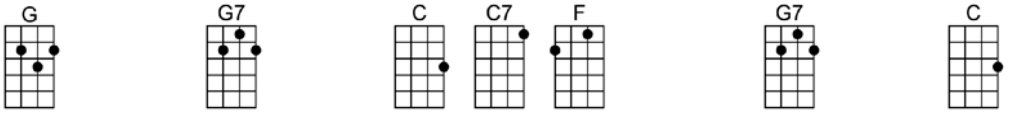
Instrumental: 1st 2 lines of verse



Little things I should have said and done, I just never took the time



You were always on my mind, you were always on my mind



You were always on my mind, you were always on my mind
