
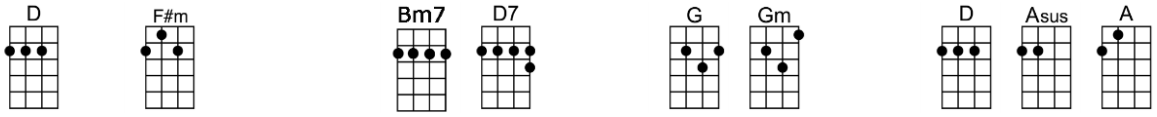
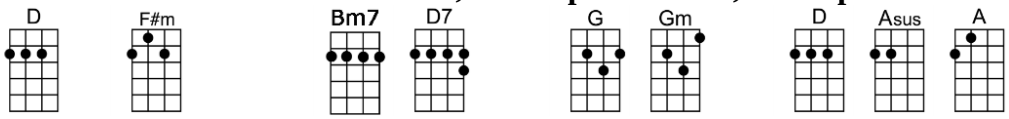
EVERYTHING I OWN-David Gates

4/4 1…2…1234

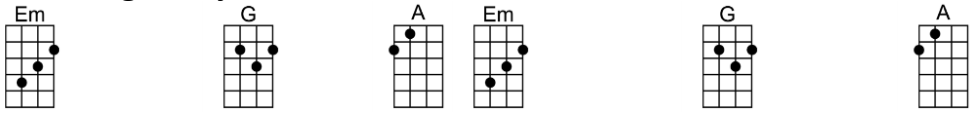
Intro: |  **| (X2)**



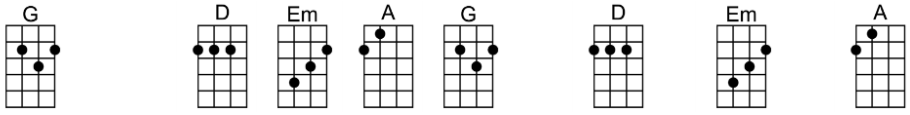
You sheltered me from harm, kept me warm, kept me warm



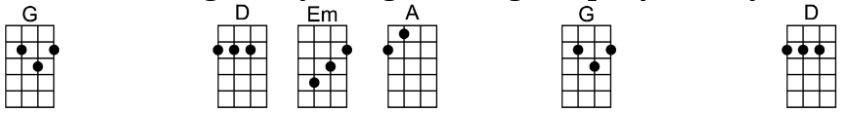
You gave my life to me, set me free, set me free



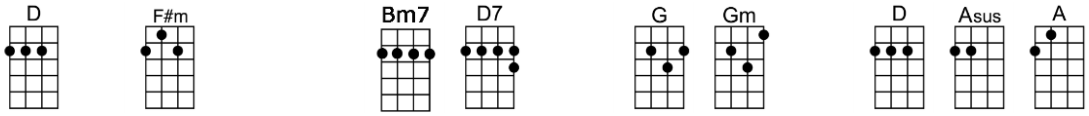
The finest years I ever knew were all the years I had with you



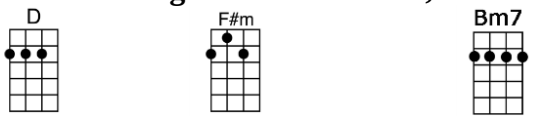
And I would give any-thing I own, give up my life, my heart, my home



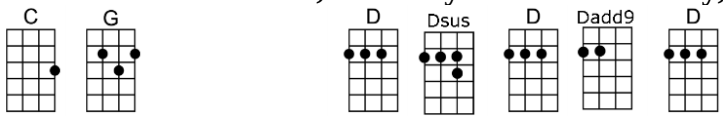
I would give every-thing I own, just to have you back a-gain



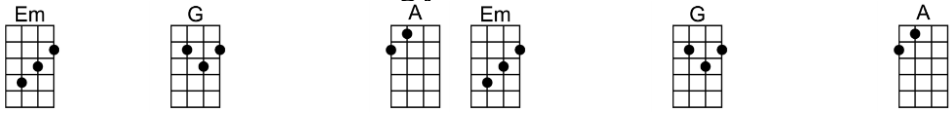
You taught me how to love, what it's of, what it's of



You never said too much, but still you showed the way,

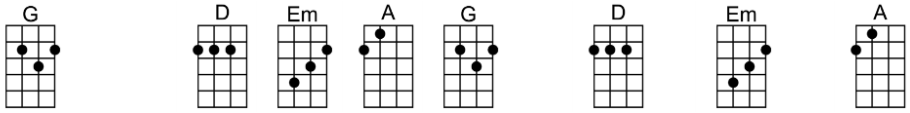


And I knew from watching you

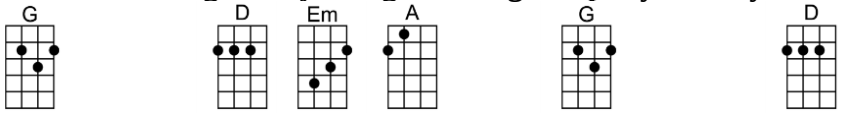


Nobody else could ever know the part of me that can't let go

p.2. Everything I Own



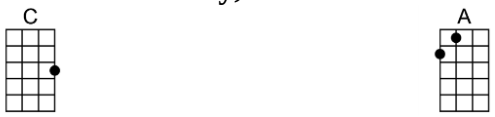
And I would give any-thing I own, give up my life, my heart, my home



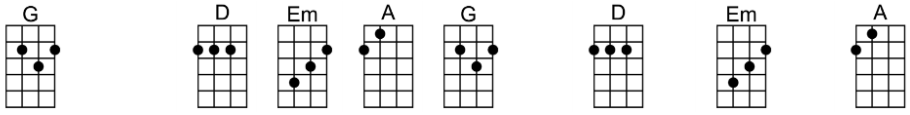
I would give every-thing I own, just to have you back a-gain

Is there someone you know, you're loving them so, but taking them all for granted

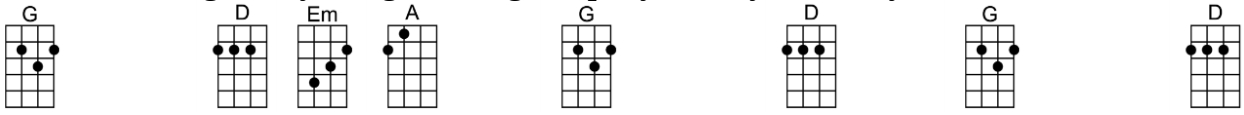
You may lose them one day, someone takes them away



And they don't hear the words you long to say



And I would give any-thing I own, give up my life, my heart, my home



I would give every-thing I own, just to have you back a-gain, just to touch you once a-gain
