
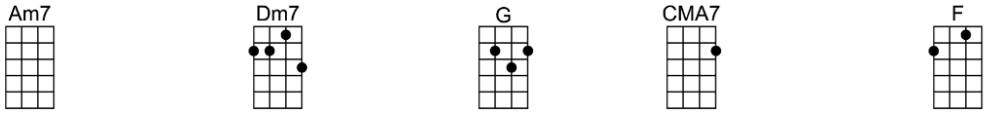
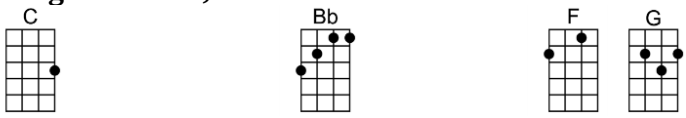
NEVER GONNA LET YOU GO-Cynthia Weil/Barry Mann

4/4 1…2…1234

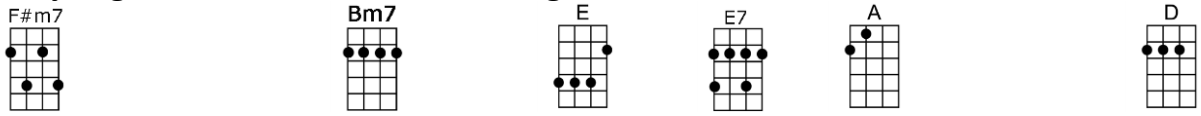
Intro: |  |  |  |  |  |



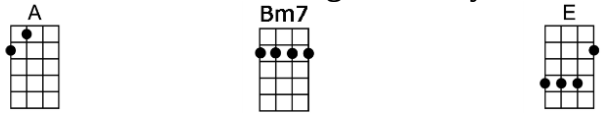
I was as wrong as I could be, to let you get away from me.
Looking back now, it seems so clear. I had it all when you were here



I'll re-gret that move for as long as I'm livin'
Oh, you gave it all, and I took it for granted

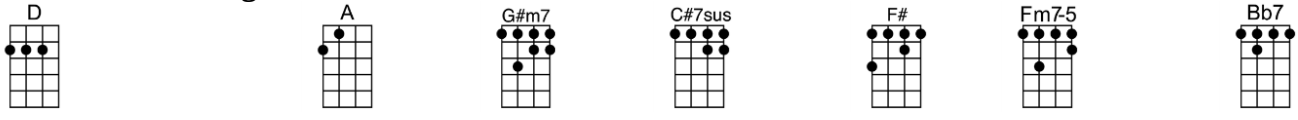


But, now that I've come to see the light, all I wanna do is make things right
But, if there's some feeling left in you, some flicker of love that still shines through

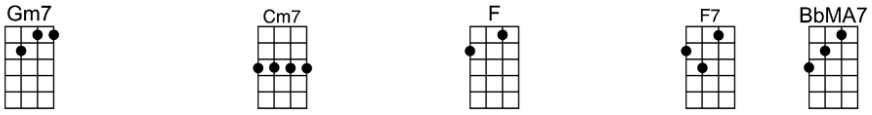


So just say the word, and tell me that I'm for-given
Let's talk it out, let's talk about second chances

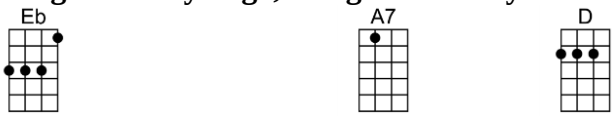
You and me, we're gonna be better than we were be-fore
Wait and see, it's gonna be sweeter than it was be-fore



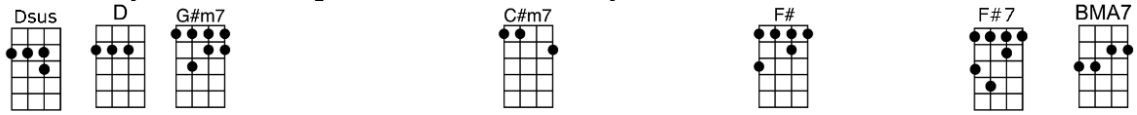
I loved you then, but now I intend to open up and love you even more. This time you can be sure
I gave some then, but now I intend to dedicate my-self to givin' more. This time you can be sure



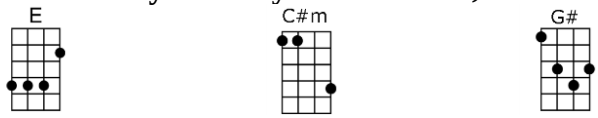
I'm never gonna let you go, I'm gonna hold you in my arms for-ever



Gonna try and make up for the times I hurt you so

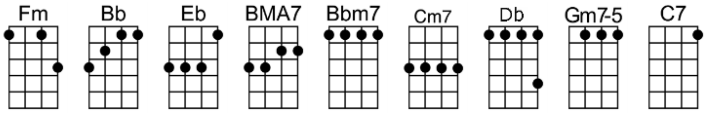


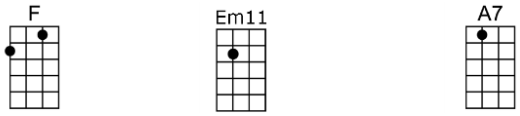
Gon - na hold your body close to mine, from this day on we're gonna be to-gether



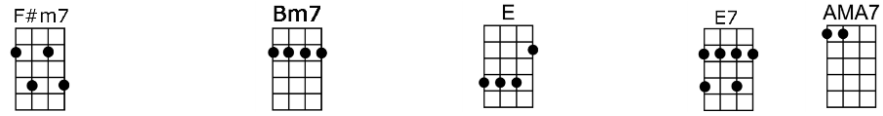
Oh, I swear this time I'm never gonna let you go 1. 2nd verse 2. Go on to interlude

Interlude:

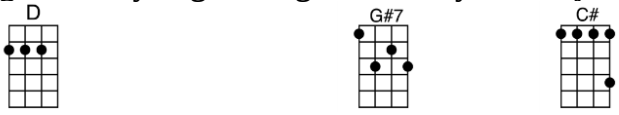




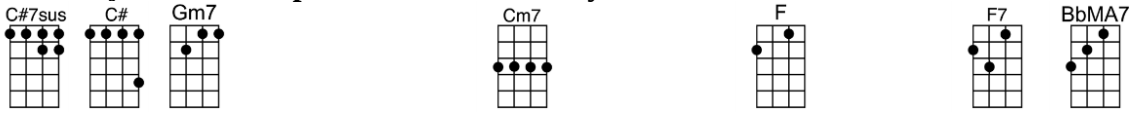
Oh, so, if you'll just say you want me too, I'm…..



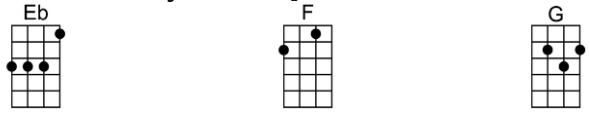
Never gonna let you go, I'm gonna hold you in my arms for-ever



Gonna try and make up for the times I hurt you so



Gon - na hold your body close to mine, from this day on we're gonna be to-gether



Oh, I swear this time I'm never gonna let you go
