
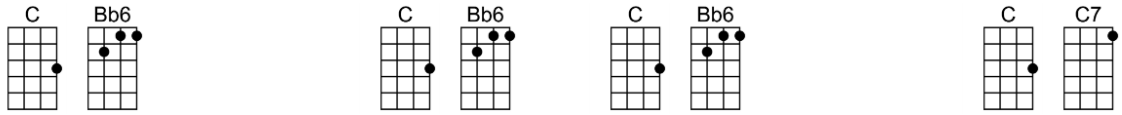
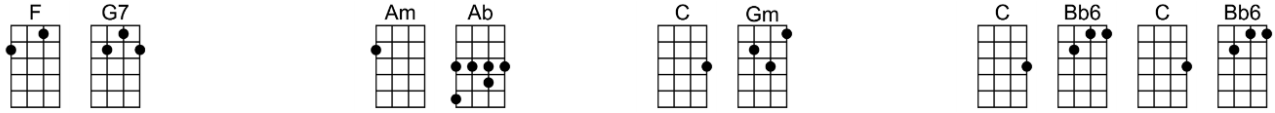
EVERY NIGHT WHEN THE SUN GOES IN

4/4 1234 12 (without intro)

Intro: |  **| (X4)**



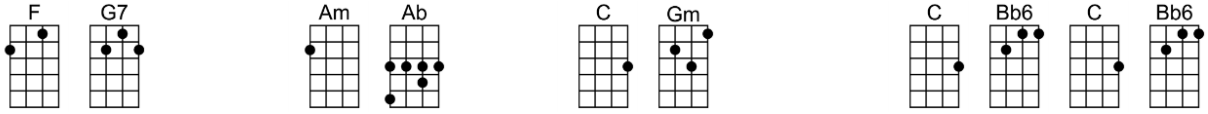
Every night when the sun goes in, every night when the sun goes in,



Every night when the sun goes in, I hang my head and mournful cry.

True love, don't weep, true love, don't mourn,

True love, don't weep, true love, don't mourn

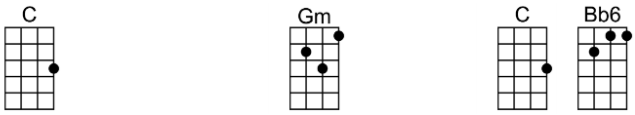


True love, don't weep, or mourn for me, I'm goin' back, where I come from.

I wish to the Lord my child was born.

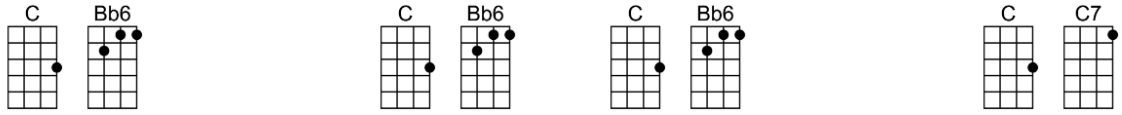
He was born, and he was sittin' on his mama's/papa's knee

And me, poor boy/girl, was dead and gone,

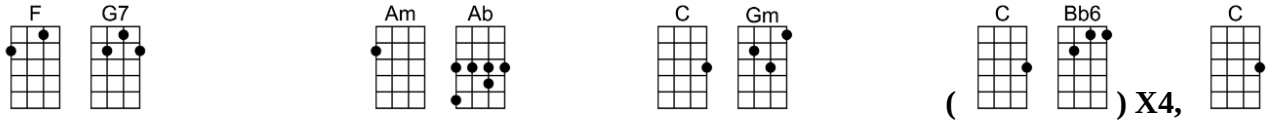


The green grass growin' everywhere over me.

Interlude: |  **| | (X4)**



Every night when the sun goes in, every night when the sun goes in,



Every night when the sun goes in, I hang my head and mournful cry.
