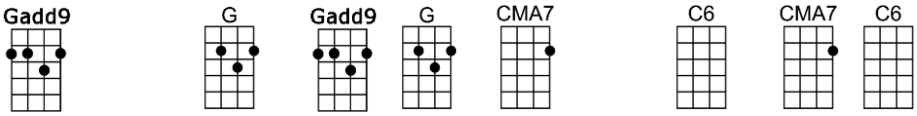
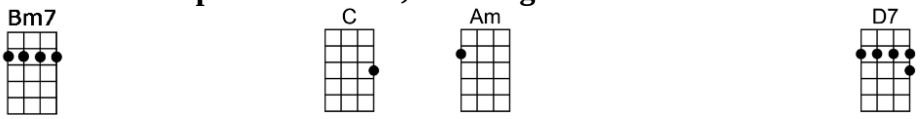
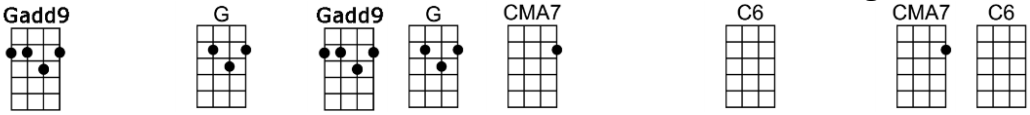
Intro: | | | |



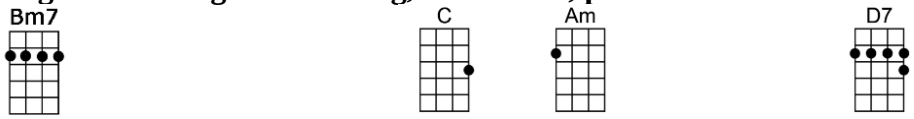
To dream the im-possible dream, to fight the un-beatable foe



To bear, with unbearable sorrow, to run where the brave dare not go



To right the un-rightable wrong, to love, pure and chaste from a-far

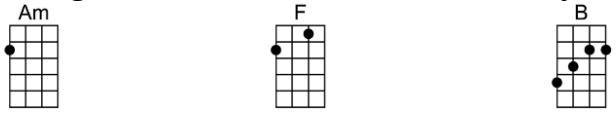


To try, when your arms are too weary, to reach the unreachable star

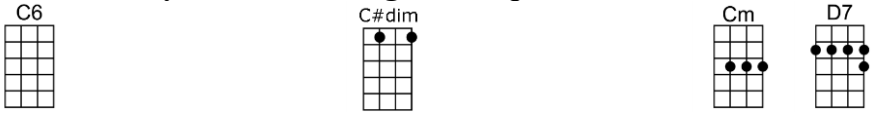
This is my quest, to follow that star, no matter how hopeless, no matter how far

To fight for the right, without question or pause

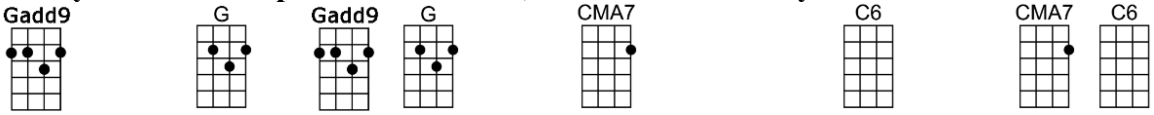
To be willing to march into hell for that heavenly cause



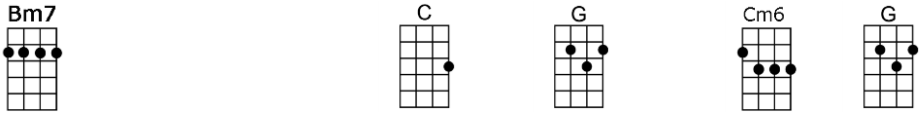
And I know, if I'll only be true to this glorious quest



That my heart will lie peaceful and calm, when I'm laid to my rest



And the world will be better for this, that one man, scorned and covered with scars



Still strove, with his last ounce of courage, to reach the un-reachable star
