HANG ON LITTLE TOMATO

4/4 1...2...1234

-C. Forbes/T. Lauderdale/P. Abbey

Intro: |   |   | (X2)

The sun has left and for-gotten me. It's dark, I cannot see

Why does this rain pour down? I'm gonna drown in a sea of deep confusion

Somebody told me, I don't know who, "When-ever you are sad and blue,

And you're feeling all a-lone, and left be-hind, just take a look in-side you, and you'll find.

You've gotta hold on, hold on through the night. Hang on, things will be all right

Even when it's dark, and not a bit of sparkling

Sing-song sunshine from above, spreading rays of sunny love

p.2. Hang On Little Tomato

Just hang on, hang on to the vine. Stay on, soon you'll be just fine

If you start to cry, look up to the sky

Something's coming up ahead to turn your tears to dew instead."

And so I hold on to this ad-vice when change is hard and not so nice

If you listen to your heart the whole night through

Your sunny someday will come one day soon to you
