

AMERICA - Neil Diamond

4/4 1...2...1234

Intro:  (4 measures)

Far, we've been travelin' far without a home, but not without a star

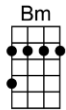

Free, only want to be free. We huddle close, hang on to a dream

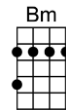

On the boats and on the planes, they're coming to America

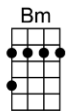

Never looking back again, they're coming to America

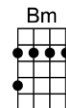

Home-Don't it seem so far away? Oh, we're travelin' light today

In the eye of the storm, in the eye of the storm

Home-To a new and a shiny place. Make our bed and we'll say our grace

Freedom's light burning warm, freedom's light burning warm

p.2. America

Interlude:  (4 measures)

Everywhere around the world, they're coming to America

Every time that flag's unfurled, they're coming to America

Got a dream to take them there, they're coming to America

Got a dream they've come to share, they're coming to America

They're coming to America.

They're coming to America

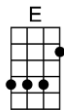

They're coming to America.

They're coming to America

To-day, to-day, to-day, to-day,

(to-day) My country 'tis of thee (to-day), sweet land of liberty (to-day),

Of thee I sing (to-day), of thee I sing to-day.....to-day.....to-day!
