

SILENCE IS GOLDEN - Bob Crewe/Bob Gaudio

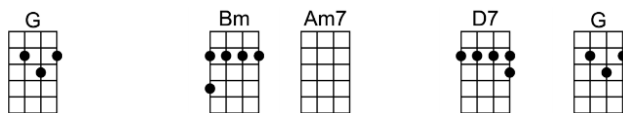

4/4 1...2...1234

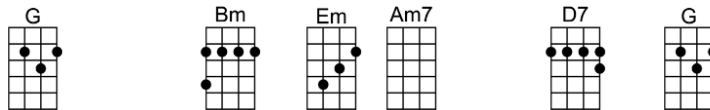

Oh, don't it hurt deep in-side to see someone do something to her?

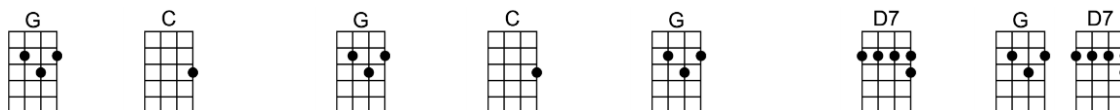

Oh, don't it pain to see someone cry, oh, es-pecially when someone is her.

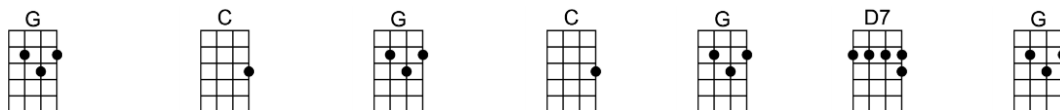

Silence is golden, but my eyes still see

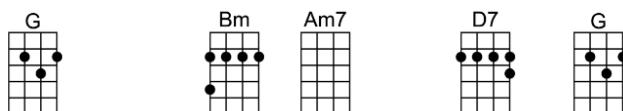

Silence is golden, golden, but my eyes still see

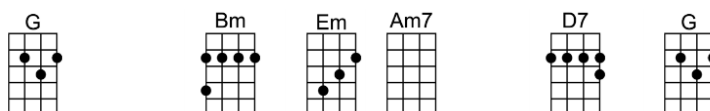

Talking is cheap, people follow like sheep, even though there is nowhere to go

How could she tell? He de-ceived her so well. Pity, she'll be the last one to know

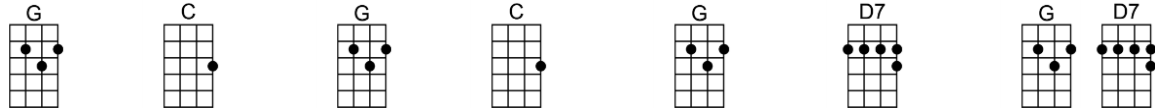

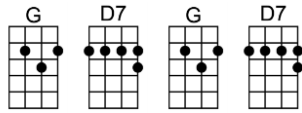

Silence is golden, but my eyes still see

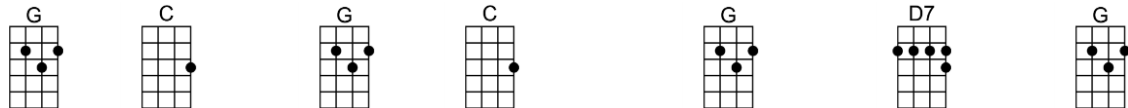

Silence is golden, golden, but my eyes still see

p.2. Silence Is Golden

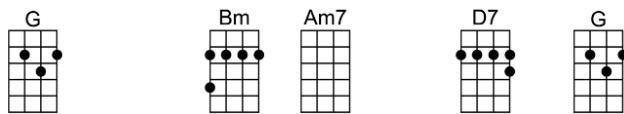

Interlude:

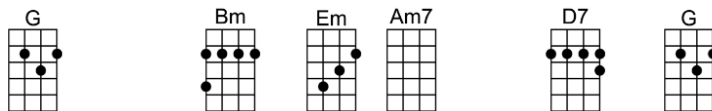

How many times did she fall for his lies? Should I tell her or should I keep cool?

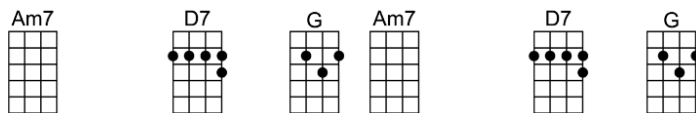

And, if I tried, I know she'll say I lied. Mind your business, don't hurt her, you fool

Silence is golden, but my eyes still see

Silence is golden, golden, but my eyes still see

But my eyes still see, but my eyes still see
