 All I really need is a song in my heart,  food in my belly, and love in my family

 All I really need is a song in my heart,  food in my belly, and love in my family

And I need some clean water for drinking.

Yes, I need some clean air for breathing

So that I can grow up strong, and take my place where I be-long

All I really need is a song in my heart, food in my belly, and love in my family

All I really need is a song in my heart, and love in my fami-ly

Love in my fami-ly,
