**p.2. My Eyes Adored You**

**My eyes a-dored you, though I never laid a hand on you, my eyes a-dored you**

**Like a million miles away from me, you couldn't see how I a-dored you**

**So close, so close, and yet so far**

**Headed for city lights, climbed the ladder up to fortune and fame**

**I worked my fingers to the bone, made myself a name**

**Funny, I seem to find that no matter how the years un-wind**

**Still, I reminisce about the girl I miss and the love I left be-hind**

**My eyes a-dored you, though I never laid a hand on you, my eyes a-dored you**

**Like a million miles away from me, you couldn't see how I a-dored you**

**So close, so close, and yet so far**

My eyes a-dored you, though I never laid a hand on you, my eyes a-dored you  
Like a million miles away from me, you couldn't see how I a-dored you  
So close, so close, and yet so far

Carried your books from school, playin' make-believe you're married to me  
You were fifth grade, I was sixth, when we came to be  
Walkin' home every day over Barnegat Bridge and Bay  
Till we grew into the me and you who went our separate ways

My eyes a-dored you, though I never laid a hand on you, my eyes a-dored you  
Like a million miles away from me, you couldn't see how I a-dored you  
So close, so close, and yet so far

Headed for city lights, climbed the ladder up to fortune and fame  
I worked my fingers to the bone, made myself a name  
Funny, I seem to find that no matter how the years un-wind  
Still, I reminisce about the girl I miss and the love I left be-hind

My eyes a-dored you, though I never laid a hand on you, my eyes a-dored you  
Like a million miles away from me, you couldn't see how I a-dored you  
So close, so close, and yet so far
