

# Don't You Wish It Was True

John Fogarty

I dreamed I walked in heaven just the other night

There was so much beauty so much light

Don't you wish it was true. Don't you wish it was true.

An angel took my hand, said, "You don't have to hurry  
Got all the time in the world, don't worry."  
Don't you wish it was true. Lord, don't you wish it was true

But if tomorrow everybody was your friend, anyone could take you in  
No matter what or where you've been. But if tomorrow everybody had enough  
The world wasn't quite so rough, lord, don't you wish it was true

He said the world's gonna change and it's starting today  
There'll be no more armies, no more hate  
Don't you wish it was true. Ah, don't you wish it was true

And all the little children who live happily  
There'll be singing and laughter, sweet harmony  
Don't you wish it was true. Lord, don't you wish it was true

But if tomorrow everybody under the sun was happy just living as one  
No borders or battles to be won But if tomorrow everybody was your friend  
Happiness would never end. Lord, don't you wish it was true
