

Only You

Buck Ram (Popularized by The Platters)

G7// F#7// G7↓

Only you can make this world seem right
Only you can make the darkness bright
Only you and you alone can thrill me like you do
And fill my heart with love for only you

Only you can make this change in me
For it's true you are my des - tiny
When you hold my hand
I understand the magic that you do
You're my dream come true my one and only you

<Repeat verse 2>
