CHRISTMAS BALL BLUES

4/4 1...2...1234

Intro:  (4 beats)

 Christmas comes but once  a  year, and to me it brings good cheer 
 And to everyone who likes wine and beer    
 Happy New Year is af - ter  that.  Happy I'll be, that is a fact 
 That's why I like to hear     folks who say that "Christmas is here"   

 Christmas bells will ring  real soon, even in the after-noon   

 There'll be no chime bells ringin'  at the Christmas ball    

 Everyone must watch their step, or they will lose their rep   

 Everybody's full of pep  at the Christmas ball    

p.2. Christmas Ball Blues

Interlude: Previous 4 lines

Grab your partner, one and all. Keep on dancin' 'round the hall

If there's no one to call, don't you dare to stall

If your partner don't act fair, don't worry, there's some over there

Takin' a chance everywhere at the Christmas Ball
