

# IF YOU LOVE ME (REALLY LOVE ME)

4/4 1...2...123 (without intro) -E. Piaf/G. Parsons/M. Monnot

If the sun should tumble from the sky.

If the sea should sudden-ly run dry

If you love me, really love me, let it happen. I won't care.

If it seems that everything is lost, I will smile and never count the cost.

If you love me, really love me, let it happen. Darling, I won't care.

Shall I catch a shooting star? Shall I bring it where you are? If you want me to I will.

You can set me any task. I'll do anything you ask.

If you'll only say you love me still.

When at last our life on earth is through, I will share eterni-ty with you.

If you love me, really love me, let it happen. I won't care.

If you love me, really love me, let it happen. Darling, I.....won't care.
