4/4 1...2...1234

Intro:

For your love

For your love

When I think a-bout those nights in Montreal, I get the sweetest thoughts of you and me

Memories of love above the city lights, ooh, I tried so hard to take it

But, oh Lord, my heart won't make it

I just wanna stop, and tell you what I feel a-bout you, babe

I just wanna stop, I never wanna live with-out you, babe

I just gotta stop for your love

Interlude:

For your love

For your love

When I think a-bout the way the world must turn, I get the saddest thoughts for you and me

Memories of life and times go on and on, ooh, I've tried hard to for-get it

But, oh Lord, my mind won't let it

p.2. I Just Wanna Stop

I just wanna stop, and tell you what I feel a-bout you, babe

I just wanna stop, the world ain't right with-out you, babe

I just gotta stop for your love

Interlude:

Ooh, I've tried so hard to take it, but, oh Lord, my heart won't make it

I just wanna stop, and tell you what I feel a-bout you, babe

I just wanna stop, the world ain't right with-out you, babe

I just wanna stop for your love

Stop! Ooh, ooh, ooh, I just wanna stop! Ooh, ooh, ooh, I just wanna stop!
