

# THE LAST WORTHLESS EVENING

4/4 1...2...1234

-John Corey/Don Henley/Stan Lynch

**Intro: (4 beats each) C C6 (X2) Dadd9 D (X2)**

**G**

I know you broke up with him, and your heart's still on the shelf

**Dsus D**

It's been over two years for me, and I'm still not quite my-self

**Em Csus C**

You can't be with someone new, and you can't go back to him

**Em F D**

You're beginning to realize that it's sink or swim

**G**

I see you around sometimes, and my heart just melts

**Dsus D**

You're lookin' like, if you had your wish, you'd be somewhere else

**Em Csus C**

And, it just breaks my heart to see you here this way

**Em F D**

Someday I'll get the nerve to walk up to you and say

**G C**

This is the last worthless evening that you'll have to spend

**Dsus D Gsus G**

Just gimme a chance to show you how to love again

**G C**

This is the last worthless evening that you'll have to spend

**Am C Dsus D**

'Cause I'll be there when your broken heart is on the mend

**G**

Every night it's the same old crowd in smoky rooms

**Dsus D**

You catch a faint glimpse of love sometimes, but it never blooms

**Em Csus C**

I've been around this block a time or two,

**Em F D**

And I've made some big mistakes, but, girl, I promise you, I promise you
