

Seasons in the Sun

Jacques Brel, Rod McKuen

F F F F F Gm Gm
Goodbye to you my trusted friend. We've known each other since we were nine or ten
Gm C F F
Together we've climbed hills and trees
F F Gm C F
Learned of love and A B Cs, skinned our hearts and skinned our knees

Goodbye my friend it's hard to die, when all the birds are singing in the sky
Now that the spring is in the air
Pretty girls are everywhere, think of me and I'll be there

F F Gm Gm
We had joy, we had fun, we had seasons in the sun
C C C7 F F
But the hills that we climbed were just seasons out of time

F F F F G Gm Gm
Goodbye Papa please pray for me I was the black sheep of the family
Gm C F F
You tried to teach me right from wrong
F F Gm C F
Too much wine and too much song, wonder how I got along

Goodbye Papa it's hard to die, when all the birds are singing in the sky
Now that the spring is in the air
Little children everywhere, when you see them I'll be there

<Chorus>

F F F F F Gm Gm
Goodbye Michelle, my little one you gave me love and helped me find the sun
Gm C F F F F Gm
And every time that I was down, you would always come around
C F
And get my feet back on the ground

Goodbye Michelle it's hard to die, when all the birds are singing in the sky
Now that the spring is in the air, with the flowers everywhere
I wish that we could both be there

<Chorus>

G G Am Am
We had joy, we had fun, we had seasons in the sun
D D D7 G
But the stars we could reach were just starfish on the beach
