

Under the Boardwalk

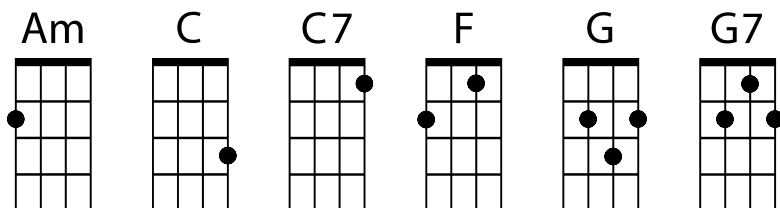

Kenny Young, Arther Resnick

Oh when the sun beats down and melts the tar up on the roof
And the streets get to hot you wish your tired feet were fire proof

Under the boardwalk down by the sea
On a blanket with my baby, that's where I'll be
Under the boardwalk, out of the sun
Under the boardwalk, we'll be having fun
Under the boardwalk, people walking above
Under the boardwalk, we'll be falling in love
Under the boardwalk. Boardwalk

Now from the sands you hear the happy sounds of the carousel
You can almost taste the hot dogs and French fries they sell

<chorus>

The lead singer of the **Drifters** died of a suspected overdose the night before the scheduled recording session. They decided to record the song anyway, bringing back former lead vocalist Johnny Moore. The first line plays against their prior hit **Up On the Roof**.
