

MISS YOU ALL THE TIME-Chas and Dave

4/4 1...2...1234

Intro:

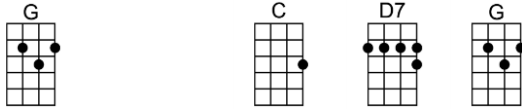

Miss you when the sun comes out, miss you when the rain comes down

Miss you when the days are cold, and the winter snow comes 'round

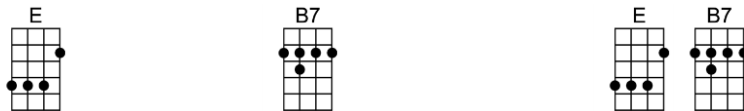

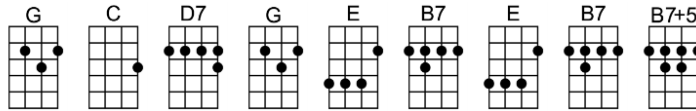

Miss you as the flowers grow, and blossom in the Spring sun-shine

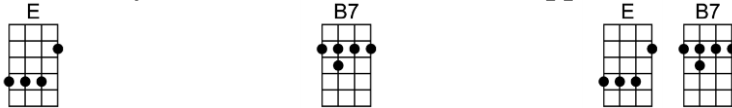

And, most of all, I miss you all the time

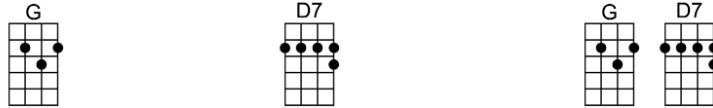

Interlude:

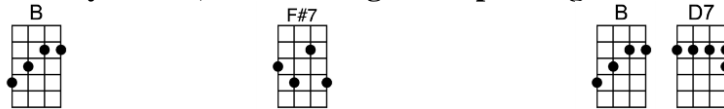

Sunny skies re-mind me of those happy days

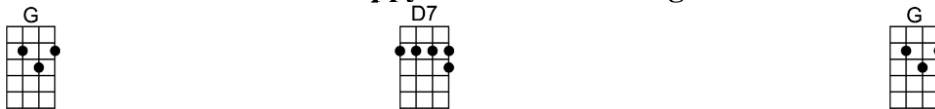

Sunshine brings back memories of carefree ways

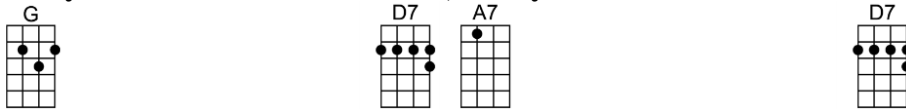

Stormy clouds, and walking in the pouring rain

Fill me with those happy memories once a-gain

Miss you when the sun comes out, miss you when the rain comes down

Miss you when the days are cold, and the winter snow comes 'round

p.2. Miss You All the Time

Miss you as the flowers grow, and blossom in the Spring sun-shine

And, most of all, I miss you all the time

Interlude:

Christmas time, coal fires on a frosty night

Snowflakes falling, glisten 'neath the pale moon-light

Springtime flowers start appearing on the green

All these things, they bring back happy memo-ries

Miss you when the sun comes out, miss you when the rain comes down

Miss you when the days are cold, and the winter snow comes 'round

Miss you as the flowers grow, and blossom in the Spring sun-shine

And, most of all, I miss you all the time. And, most of all, I miss you all the time
