# SO INTO YOU - Kenton Nix, Daughtry, Buddy Buie

4/4 1...2...123 (without intro)

When you walked into the room, there was voodoo in the vibes

I was captured by your style, but I could not catch your eyes

Now I stand here helplessly, hopin' you'll get into me

I am so into you, I can't think of nothin' else.

I am so into you, I can't think of nothin' else

Thinkin' how it's going to be, whenever I get you next to me

It's gonna be good, don't you know, from your head to your toe

Gonna love you all over, over and over. Me into you, you into me, me into you

I'm so into you. I'm so into you, ooh
