

Do You Believe in Magic John Sebastian (The Lovin' Spoonful)

G C F C F
Do you believe in magic, in a young girl's heart, how the music can free her, whenever it starts,
C F C F
And it's magic, if the music is groovy, make's you feel happy like an old time movie
Dm Em F Em G
I'll tell you 'bout the magic, it'll free your soul, but it's like tryin' to tell a stranger 'bout a rock'n'roll

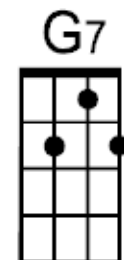

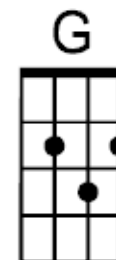

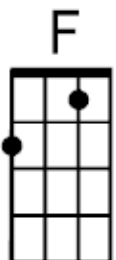

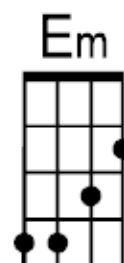

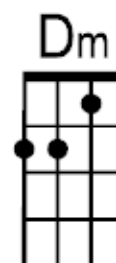

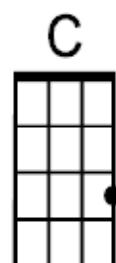

G C F C F
If you believe in magic, don't bother to choose if it's jug band music, or rhythm and blues
C F C F
Just listen, it'll start with a smile that won't wipe off your face no matter how hard you try
Dm Em F Em G
Your feet start tappin' and you can't seem to find how you got there, so just blow your mind

G C F C
If you believe in magic, come along with me, we'll dance until morning,
F
'til there's just you and me
C F C F
And maybe, if the music is right, I'll meet you tomorrow, sort of late at night
Dm Em F Em G
And we'll go dancin', baby, then you'll see how the magic's in the music and the music's in me

F C
Yeah, do you believe in magic

F Em F Em
Believe in the magic of a young girl's soul
F Em F Em
Believe in the magic of a rock'n' roll
F Em F Em
Believe in the magic that can set you free, ah
F

Talkin' 'bout magic (do you believe, like I believe),
C
Do you believe in magic (do you believe, like I believe)
F
Do you believe, believe (do you believe, like I believe)
C
Do you believe in magic (do you believe, like I believe)
