

LIVE ALONE AND LIKE IT - Stephen Sondheim

4/4 1...2...1234

Intro: |     |    |     |  | (X2)

Live a-lone and like it, free as the birds in the trees, high above the briars

Live a-lone and like it, doing what -ever you please, when your heart desires

Free to hang around, or fly at any old time

No e-quivo - ca - tion, most of all no guaran-tees. That can be your motto

          

Free of obli - ga - tion, only the murmur-ing breeze, as an obli-gato,

      

Live alone and like it, why is that such a crime?

p.2. Live Alone and Like It

Free to call the tune, free to say if you're gonna work or play

You can have the moon, but you don't have to have it night and day

Anyway, on your own with only you to con - cern yourself

Doesn't mean you're lonely, just that you're free

Live and alone and like it, don't come down from that tree

That's the answer for me don't come down from that tree (fade)

That's the answer for me don't come down from that tree

That's the answer for me
