Photographs and memories,

Christmas cards you sent to me

All that I have are these to re-member you

Memories that come at night,

take me to an-other time

Back to a happier day, when I called you mine

But we sure had a good time when we started way back when

Morning walks and bedroom talks, oh, how I loved you then

Summer skies and lullabies,

nights we couldn't say goodbye

And of all of the things that we knew, not a dream survived

p.2. Photographs and Memories

Interlude:

Photographs and memories, all the love you gave to me

Somehow it just can't be true. It's all I've left of you

But we sure had a good time when we started way back when

Morning walks and bedroom talks, oh, how I loved you then
