

MEET ME IN MONTANA - Paul Levon Davis

4/4 1...2...123 (without intro)

Intro:  (4 measures)

 Wrote my whole life down in a notebook. Songs about you and me

  
 I've been singin' to every soul in Tennes-see

 
 Nobody seems to listen. No one ever smiles the way that you do

  
 So, I guess you'll never hear me on the radio

   
 And, I'd give up this crazy dream of mine, to hold you once more

      
 Won't you meet me in Mon-tana? I want to see the mountains in your eyes

    
 Oh! Oh! I've had all of this life I can handle

   
 Meet me underneath that big Mon-tana sky

 I left home for Hollywood, lookin' for a part to play

  
 Well, you always said I had such a pretty face

p.2. Meet Me In Montana

But, I guess I'm not that pretty, 'cause no one looks at me the way that you do

Well, you'll always be a movie star to me

And, darling, now I guess it's time that I let go of that dream

Won't you meet me in Mon-tana? I want to see the mountains in your eyes

Oh! Oh! I've had all of this life I can handle

Meet me underneath that big Mon-tana sky

Well, we're stuck here in these hills that they call mountains

But, darling, back home in your arms is right where I wanna be

Won't you meet me in Mon-tana? I want to see the mountains in your eyes

Oh! Oh! I've had all of this life I can handle

Meet me underneath that big Mon-tana sky

Meet me underneath that big Mon-tana sky
