# OUR DAY WILL COME

Our day will come and we'll have every-thing

We'll share the joy falling in love can bring

No one can tell me that I'm too young to know I love you so

And you love me

Our day will come if we just wait a while

No tears for us, think love and wear a smile

Our dreams have magic be-cause we'll always stay in love this way

Our day..... our day.....

Our day will come
