

UNDERNEATH THE ARCHES-Bud Flanagan

4/4

The rich I never sought for, the Savoy, oh, they can keep

There's only one place that I know, and that is where I sleep

Underneath the arch - es, I dream my dreams a-way,

Underneath the arch - es, on cobble stones I lay,

Every night you'll find me, tired out and worn,

Happy when the daylight comes creeping, heralding the dawn.

Sleeping when it's rain - ing, and sleeping when it's fine,

Trains rattling by a - bove

Pavement is my pillow, no matter where I stray

Underneath the arch - es, I dream my dreams a-way.

Pavement is my pillow, no matter where I stray

Underneath the arch - es, I dream my dreams a-way.
