

Lay Down Sally

Eric Clapton, Marcy Levy, George Terry

G7 C
There is nothing that is wrong in wanting you to stay here with me
G7
I know you've got somewhere to go
C
But won't you make yourself at home and stay with me
D
And don't you ever leave

G C
Lay down Sally, and rest you in my arms
D G
Don't you think you want someone to talk to
G C
Lay down Sally, no need to leave so soon
D G
I've been trying all night long just to talk to you

G7 C
The sun ain't nearly on the rise and we still got the moon and stars above
G7
Underneath the velvet skies, love is all that matters
C D
Won't you stay with me, and don't you ever leave

<Chorus>

G7 C
I long to see the morning light coloring your face so dreamily
G7
So don't you go and say goodbye
C D
You can lay your worries down and stay with me, and don't you ever leave

<Chorus 2x >
