

FIRE AND RAIN-James Taylor

4/4 1...2...1234 (slow count)

Intro:

(8 beats)

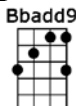

Just yesterday morning they let me know you were gone
Won't you look down upon me, Jesus, you got to help me make a stand
Been walking my mind to an easy time, my back turned towards the sun

Susanne, the plans they made put an end to you
You just got to see me through an-other day
Lord knows when the cold wind blows it'll turn your head around

I walked out this morning and I wrote down this song
My body's aching and my time is at hand
Well there's hours of time on the telephone line to talk about things to come

I just can't re-member who to send it to
And I won't make it any other way
Sweet dreams and flying machines in pieces on the ground

CHORUS:

I've seen fire and I've seen rain

I've seen sunny days that I thought would never end

I've seen lonely times when I could not find a friend

(Coda-after 3rd verse)

But I always thought that I'd see you a-gain

Coda:

But I always thought that I'd see you a-gain

LET IT BE w.m. John Lennon, Paul McCartney

When I find myself in times of trouble, Mother Mary comes to me
And when the broken hearted people living in the world agree
And when the night is cloudy there is still a light that shines on me

Speaking words of wisdom, let it be
There will be an answer, let it be
Shine until to-morrow, let it be.

And in my hour of darkness she is standing right in front of me
For though they may be parted, there is still a chance that they will see
I wake up to the sound of music, Mother Mary comes to me

Speaking words of wisdom, let it be
There will be an answer, let it be.
Speaking words of wisdom, let it be.

Let it be, let it be, let it be, yeh, let it be, whisper words of wisdom, let it be
Let it be, let it be, let it be, yeh, let it be, there will be an answer, let it be
Let it be, let it be, let it be, yeh, let it be, whisper words of wisdom, let it be.

(X2)
