

SURRENDER

-Doc Pomus/Mort Shuman/Ernesto De Curtis

4/4 1234 12 (without intro)

When we kiss, my heart's on fire, burning with a strange de-sire

And I know, each time I kiss you, that your heart's on fire too

So, my darling, please sur-render all your love, so warm and tender

Let me hold you in my arms, dear, while the moon shines bright a-bove

All the stars will tell the story of our love and all its glory

Let us take this night of magic, and make it a night of love

Won't you please sur-render to me, your lips, your arms, your heart, dear

Be mine for-ever, be mine.....to-night
