

Zombie Dolores O'Riordan (The Cranberries)

Am F C G
Another head hangs lowly, child is slowly taken
Am F C G
And the violence caused such silence, who are we mistaken?

Am F
But you see it's not me, it's not my family
C G
In your head, in your head they are fighting
Am F
With their tanks and their bombs and their bombs and their guns
C G
In your head, in your head, they are cryin'

Am F C G
In your head, in your head, zombie, zombie, zombie, hey, hey
Am F C G
What's in your head, in your head, zombie, zombie, zombie hey hey hey
Am F C G
Oh

Am F C G
Another mother's breakin' heart is taking over
Am F C G
When the violence causes silence we must be mistaken

Am F
It's the same old theme since nineteen-sixteen
C G
In your head, in your head, they're still fightin'
Am F
With their tanks and their bombs and their bombs and their guns
C G
In your head, in your head, they are dyin'

<Chorus>
