Intro: |   |   |   |   |

 
Put your hand in the hand of the man who stilled the water

  
Put your hand in the hand of the man who calmed the sea

   
Take a look at yourself, and you can look at others different-ly

       
By puttin' your hand in the hand of the man from Gali - lee

 
Every time I look into the holy book I wanna tremble

  
When I read about the part where the carpenter cleared the temple

   
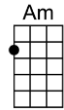

For the buyers and the sellers were no different fellers than what I profess to be

       
And it causes me shame to know we're not the people we should be

 
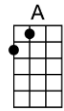

So, put your hand in the hand of the man who stilled the water

  
Put your hand in the hand of the man who calmed the sea

p.2. Put Your Hand In the Hand

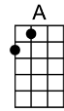

Take a look at yourself, and you can look at others different-ly

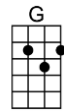

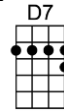

By puttin' your hand in the hand of the man from Gali - lee

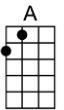

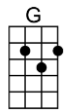

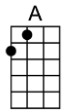

Momma taught me how to pray before I reached the age of seven

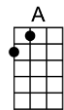

And, when I'm down on my knees, that's when I'm close to heaven

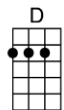

Daddy lived his life for two kids and a wife, to do what you must do

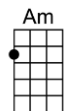

But he showed me e-nough of what it takes to get me through

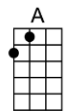

Put your hand in the hand of the man who stilled the water

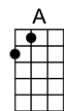

Put your hand in the hand of the man who calmed the sea

Take a look at yourself, and you can look at others different-ly

By puttin' your hand in the hand of the man from Gali - lee
