I GO CRAZY - Paul Davis

Intro: | | | | |

Hello, girl, it's been a while.

Guess you'll be glad to know that I've learned how to laugh and smile

Getting over you was slow. They say old lovers can be good friends

But I never thought I'd really see you, I'd really see you a-gain

I go crazy, when I look in your eyes, I still go crazy.

No, my heart just can't hide that old feelin' in-side, way deep down in-side

Oh, baby, you know when I look in your eyes, I go crazy

You say he satisfies your mind, tells you all of his dreams

I know how much that means to you

p.2. I Go Crazy

I realize that I was blind. Just when I thought I was over you

I see your face and it just ain't true, no, it just ain't true

I go crazy, when I look in your eyes, I still go crazy.

That old flame comes a-live. It starts burning in-side, way deep down in-side

Oh, baby, you know when I look in your eyes, I go crazy

Interlude:

Whoa - oh, whoa - oh, I go crazy, you know, when I look in your eyes, I go crazy

No, my heart just can't hide that old feelin' in-side, way deep down in-side

I go crazy
