SEE THE FUNNY LITTLE CLOWN - Bobby Goldsboro

4/4 1...2...1234

Intro: |   |   |

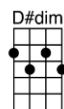

See the funny little clown, see him laughin', as you walk by

Every-body thinks he's happy, 'cause you never see a tear in his eye

    

No one knows he's cryin', no one knows he's dyin' on the inside

'Cause he's laughin' on the outside

mmm

No one knows,

no one knows

       

See the funny little clown. He's hidin' be-hind a smile

        

They all think he's laughin', but I know he's really cryin' all the while

p.2. See the Funny Little Clown

How his heart is achin', how his heart is breakin' on the inside

But he keeps laughin' on the outside.....mmm

No one knows (no one knows) no one knows

This funny little clown, you never used to see him a-round

Without his girl be-side him, to love and guide him

Un-til one day, his girl just walked a-way,

And to this very day he says, "He never loved her any-way"

Mmm...and no one knows (no one knows) ex-cept for me (no one knows)

Be-cause you see (no one knows).....I'm that funny little clown

See the funny little clown
