IN CROWD-Billy Page

4/4 1...2...1234

Intro:

(4 measures)

I'm in with the in crowd, I go where the in crowd goes
I'm in with the in crowd, I know every latest dance

I'm in with the in crowd, and I know what the in crowd knows
When you're in with the in crowd, it's easy to find romance

Any time of the year, don't you hear?
At a spot where the beat's really hot,

Dressin' fine, makin' time
if it's square, we ain't there

We breeze up and down the street,
We make every minute count,

we get respect from the people we meet
our share is always the biggest amount

They make way, day or night,
Other guys imitate us,

they know the in crowd is out of sight (2nd verse)
but the original's still the greatest

Instrumental in

(We got our own way of walkin', we got our own way of talkin',)

Any time of the year, don't you hear?

Spendin' cash, talkin' trash

Girl, I'll show you a real good time,

come on with me, and leave your troubles behind

I don't care where you've been,

you ain't been nowhere, till you've been "in"

With the in crowd, yeah, with the in crowd, with the in crowd, with the in crowd

DANCIN' IN THE STREET

Callin' out around the world, are you ready for a brand new beat?
Summer's here, and the time is right, for dancin' in the street
They're dancin' in Chicago, down in New Orleans, in New York City

All we need is music, sweet music, there'll be music everywhere

There'll be swingin' and swayin', and records playin', dancin' in the street

Oh, it doesn't matter what you wear, just as long as you are there

So, come on, every guy, grab a girl, everywhere a-round the world,

They'll be dancin', they're dancin' in the street
It's an invitation across the nation, a chance for folks to meet
There'll be laughin', singin', and music swingin', dancin' in the street
Philadelphia, PA, Baltimore and D.C. now, can't forget the Motor City

All we need is music, sweet music, there'll be music everywhere

There'll be swingin' and swayin', and records playin', dancin' in the street

Oh, it doesn't matter what you wear, just as long as you are there

So, come on, every guy, grab a girl, everywhere a-round the world,

They're dancin', they're dancin' in the street
Way down in L.A., every day, they're dancin' in the street
Let's form a big, long line, get in time, we're dancin' in the street
Across the ocean, blue, me and you, dancin' in the street!
