# SOMEONE-J. Graydon/R. Neville/M. Mueller

4/4 1...2...1234 (slow count)

**Intro:**  (4 beats)

    
Someone just like me, runnin' into someone just like you

    
An accidental touch, turned into a gentle kiss or two

      
Love has finally come. Some-how, found my some-one

     
Close to you, that's how I feel, when the world's asleep and we're sharin' sweet

     
Soli-tude, almost gave up, trying to find someone else in love

      
Long walk, soft talk, still can't believe it, what were the odds of

    
Someone just like me, runnin' into someone just like you

    
An accidental touch, turned into a gentle kiss or two

      
Love has finally come. Some-how, found my some-one
