TILL I WALTZ AGAIN WITH YOU-Sidney Prosen

4/4 1234 1 (without intro)

Intro: |    |  |

Till I waltz again with you, **let no other hold your charms**

If my dreams should all come true, **you'll be waiting for my arms**

Till I kiss you once a-gain, **keep my love locked in your heart**

Darling, I'll return, and then **we will never have to part**

Though it may break your heart and mine, the minute when it's time to go

Remem-ber, dear, each word di-vine, that meant I love you so

Till I waltz again with you, **just the way we are to-night**

I will keep my promise true, **for you are my guiding light**

p.2. Till I Waltz Again With You

I will keep my promise true,

for you are my guiding light, my light, my light

I will keep my promise true,

till I waltz again with you
