

# I'VE GOT THE MUSIC IN ME-Bias Boshell

4/4 1...2...1234

Ain't got no troubles in my life,

no foolish dream to make me cry

I'm never frightened or worried,

I know I'll always get by

I heat up, I cool down. When somethin' gets in my way, I go 'round it

Don't let life get me down. Gonna take it the way that I found it

I got the music in me,

I got the music in me,

I got the music in me

I got the music in me,

I got the music in me,

I got the music in me

They say that life is a circle, but that ain't the way that I found it

Gonna move in a straight line, keepin' my feet firmly on the ground

## p.2. I've Got the Music In Me

I heat up, I cool down. I got words in my head, so I say them

Don't let life get me down. Catch a hold of my blues and just play them

I got the music in me, I got the music in me, I got the music in me

I got the music in me, I got the music in me, I got the music in me

Feel funky, feel good. Gonna tell you I'm in the neighbor - hood

Gonna fly like a bird on the wing. Hold on to your hat, honey, sing, sing, sing, sing

I got the music in me, I got the music in me, I got the music in me

I got the music in me, I got the music in me, I got the music in me

I got the music in me, I got the music in me, I got the music

Pretty, pretty, pretty, pretty music, I got the music in me...yeah!
