

# GOODNIGHT, SWEETHEART-Ray Noble

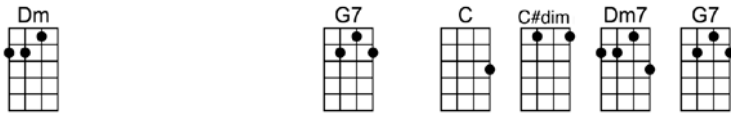

4/4 1...2...1234

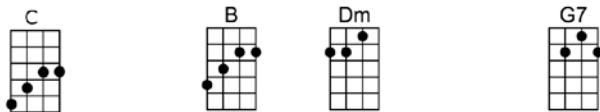

# WHEN SHADOWS FALL

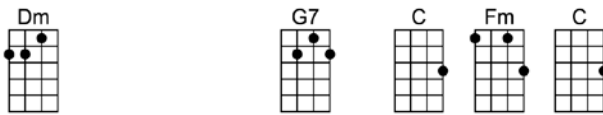

When shadows fall and trees whisper, "Day is ending,"

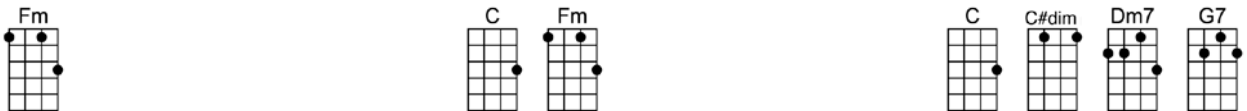

My thoughts are ever wending home

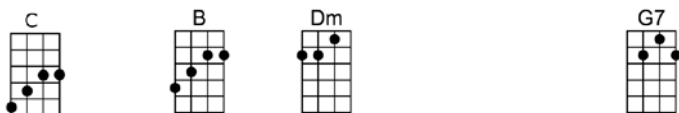

When crickets call, my heart is forever yearning

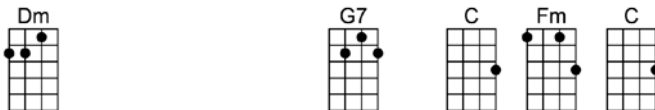

Once more to be re-turning home

When the hills conceal the setting sun, stars begin a-peeping, one by one

Night covers all, and though fortune may for-sake me

Sweet dreams will ever take me home
