Now you're expecting me to live without you,

But that's not something that I'm looking forward to.

I can't get used to living here, while my heart is broke, my tears I cried for you.

I want you here to have and hold, as the years go by, and we grow old and grey.

Every time I see your face, it re-minds me of the places we used to go.

But all I've got is a photograph, and I realize you're not coming back any-more.
