# HONKY TONK MOON-Dennis O'Rourke

4/4 1...2...1234

Dirt road in the twilight, woods so cool and dark, up ahead pale neon, somewhere a dog barks

Honky Tonk Moon, keep shinin' on my baby and me

Breakin' up the pool balls, chalkin' up the cues. Juke box pumpin' softly, lazy summer blues

Honky Tonk Moon, keep shinin' on my baby and me

Through the blue smoky haze, all through the days, troubles seem to melt a-way

My heart's on a roll, I'm easy in my soul.

There's no hurry and no worry, things are goin' my way

My arms around my baby, shufflin' on the floor,

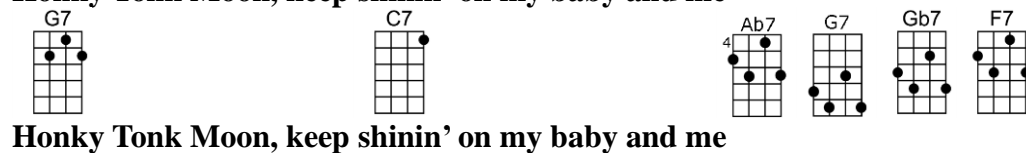

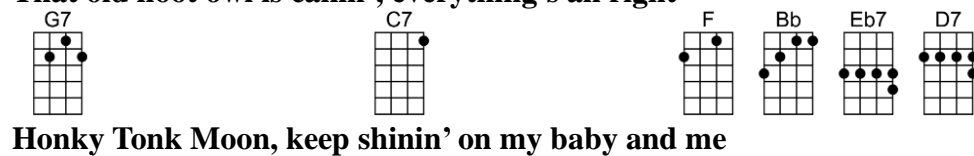

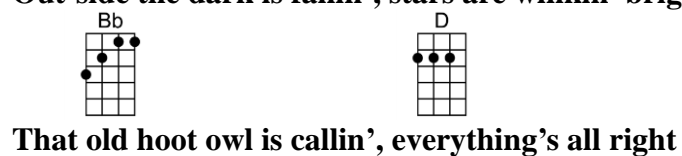

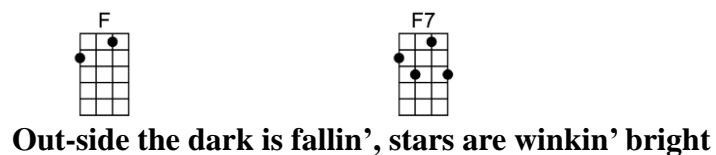

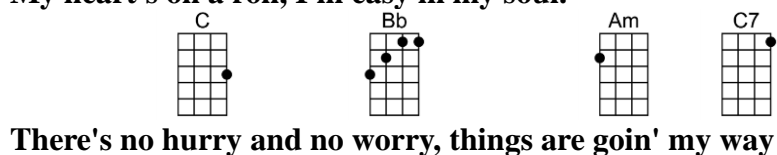

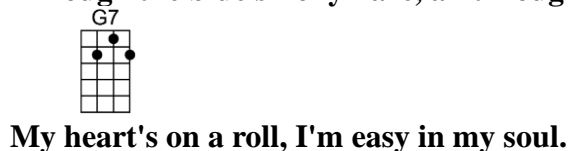

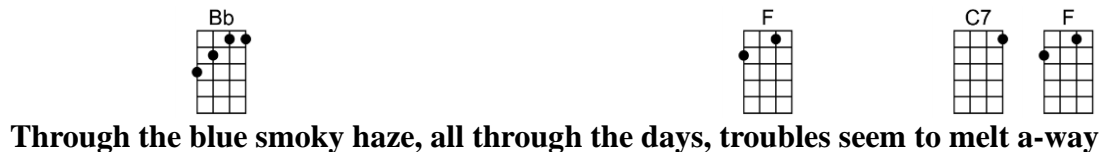

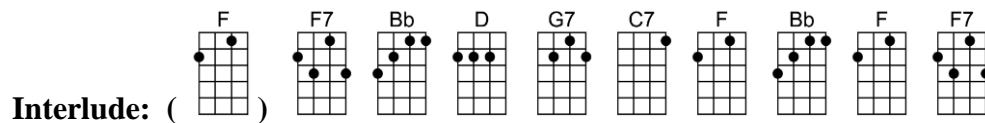

Cigarettes and saw-dust, squeaky old screen door.
