MEMORIES - Billy Strange/Mac Davis

4/4 1...2...1234

Intro: |  |  | (X2)

   
Memories, pressed between the pages of my mind
   
Memories, sweetened through the ages just like wine

 
Quiet thoughts come floatin' down, and settle softly to the ground

 
Like golden autumn leaves around my feet

    
I touch them, and they burst apart with sweet memo-ries

   
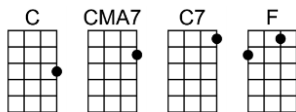

Sweet memo-ries of lollipops and red bouquets, and twilight trimmed in purple haze

     
And laughin' eyes and simple ways, and quiet nights and gentle days with you

   
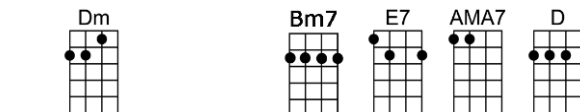

Memories, I cling to them, and tremble till the dawn
   
My memories are all that I have left, now that you've gone

p.2. Memories

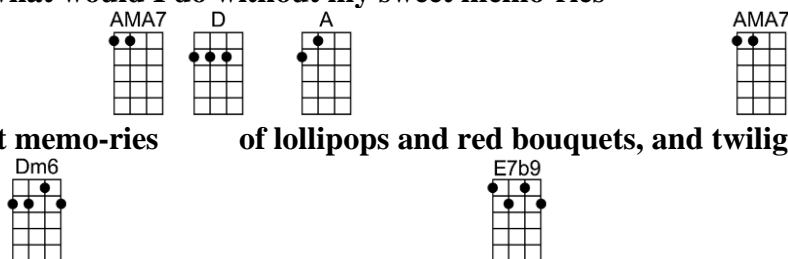

Interlude:

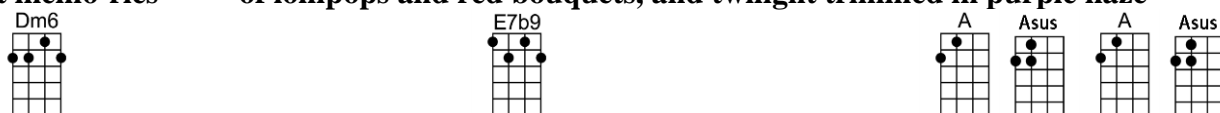

Oh, what would I do without my sweet memo-ries

Sweet memo-ries of lollipops and red bouquets, and twilight trimmed in purple haze

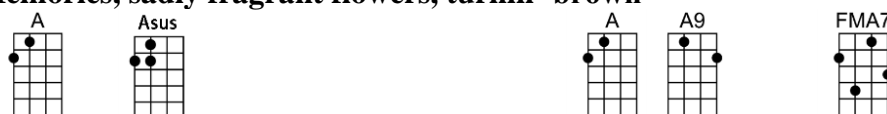

And laughin' eyes and simple ways, and quiet nights and gentle days with you

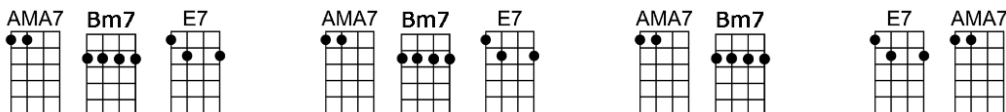

Memories, sadly fragrant flowers, turnin' brown

Memories, soft and distant showers comin' down, comin' down

Sweet memo-ries, memo-ries, memo-ries, sweet memo-ries
