

EVERLASTING LOVE - Buzz Cason/Mac Gayden

4/4 1...2...1234

Intro: |  |  |  |  | (X2)

      

Hearts go a-stray, leaving hurt when they go. I went a-way, just when you needed me so

  
Filled with re-gret, I come back begging you.

Forgive, for-get, where's the love we once knew?

Open up your eyes, then you'll rea-lize, here I stand with my ever-lasting love

Need you by my side, girl, to be my bride. You'll never be de-nied ever-lasting love

From the very start, open up your heart, feel every part, ever-lasting love

(Real love will last forever, real love will last forever)

Interlude:          

p.2. Everlasting Love

Where life's river flows, no one really knows,

'Til someone's there to show the way to lasting love

Like the sun that shines, endlessly it shines. You always will be mine. It's e-ternal love

When other loves are gone, ours will still be strong. We have our very own ever-lasting love

(Real love will last forever, real love will last forever)

Interlude:

Open up your eyes, then you'll rea-lize, here I stand with my ever-lasting love

Need you by my side, girl, to be my bride. You'll never be de-nied ever-lasting love

From the very start, open up your heart, feel every part, ever-lasting love
