

THIS IS IT - Kenny Loggins/Michael McDonald

4/4 1...2...1234

Intro:  (2 measures)

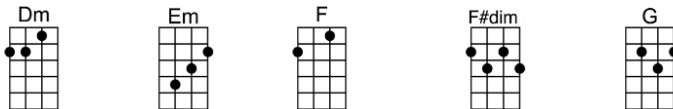

There've been times in my life, I've been wonderin' why

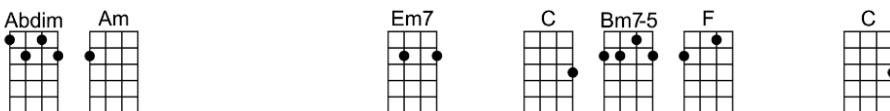

Still, some-how I be-lieved we'd always sur-vive

Now, I'm not so sure, you're waiting here. One good reason to try

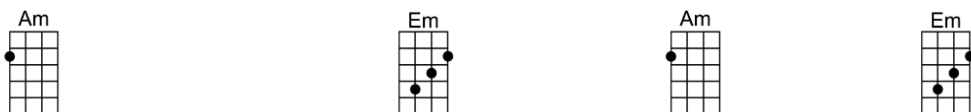

But, what more can I say? What's left to pro-vide?

(You think that maybe it's over.

Only if you want it to be)

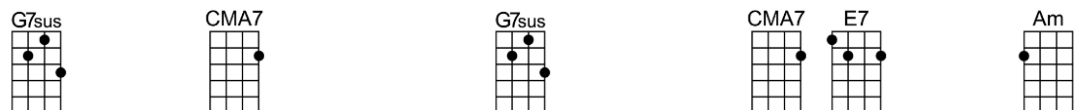

Are you gonna wait for a sign, your miracle?

Stand up and fight

(This is it) Make no mis-take where you are. (This is it) Your back's to the corner

(This is it) Don't be a fool anymore (This is it) The waiting is over, no, don't you run

p.2. This Is It

Nowhere to hide, no time for wonderin' why.

It's here, the moment is now, a-bout to de-cide, let 'em believe

Leave them behind, but keep me near in your heart

Know what-ever you do, I'm here by your side

(You say that maybe it's over.

Not if you don't want it to be)

For once in your life, here's your miracle. Stand up and fight

(This is it) Make no mis-take where you are (This is it) You're goin' no further

(This is it) Until it's over and done

(No one can tell you what you know)

Whoa-oh-ho, whoa-aaah

(Who makes the choice of how it goes)

It's not up to me this time (You know) Comes a day in every life

(This is it) Make no mis-take where you are (This is it) You're goin' no further

(This is it) Until it's over and done (This is it) One way or an-other (This is it!)
