

# SHADOWS IN THE MOONLIGHT

4/4 1...2...123 (without intro) -Charlie Black/Rory Bourke

We'll be shadows in the moonlight, darlin', I'll meet you at midnight

Hand and hand we'll go, dancin' through the Milky Way

And we'll find a little hideaway, where we can love the whole night away

We'll be shadows in the moonlight, right up 'til the light of day

Ooh, the night is young, and, baby, so are we.

Glad, I'm gonna make you glad you came

Ooh, you won't need a thing, bring your love for me

And, darlin', I will do the same
